**Re: Minor Patient  
Refusals**

---

**When confronted with a minor patient that has been involved in an accident and no parent or guardian is available:**

- **Attempts to locate parent/guardian are fruitless**

**And**

- **Law Enforcement, EMT and Medical Control Physician agree, that no significant mechanism of injury exists that may cause a hidden injury.**

**And**

- **A Pre-Hospital physical exam finds no significant findings**

**And**

- **No significant past medical history exists**

**And**

- **The Patient shows no signs of or admits to the use of alcohol or drug use.**

**And**

- **The Medical Control Physician agrees with these findings, the patient can be released to the police officer.**

**A completed Pre-Hospital Care (PCR) will be completed and signed by both the EMS and Police Officer**
