

**Mid-State  
Regional Emergency Medical  
Advisory Committee**

**Policy Statement  
#08-01**

**Response to Patients  
who have been exposed  
to a  
Conducted Energy  
Device  
(TASER)**

---

**When called by a Police Agency to respond to a patient who has been exposed to a Conducted Energy Device the following protocol shall be followed.**

- **Assure scene is safe and patient is properly restrained and not a danger to care givers.**
- **Assess the patient for medical conditions and treat according to NYS BLS and Midstate ALS protocols as necessary.**
- **If the barbs are still embedded in the patient leave them in place**
- **All patients must be transported to an ED for evaluation by a Physician.**
