

5th Annual Fall EMS Teaching Day

Tuesday, Sept. 30, 2014
Marley Education Center

Join our team of experts for a day of valuable learning and interactive demonstrations.

Designed for emergency medical service professionals at all levels. Featuring emergency services experts from Crouse Hospital, CNY EMS, St. Joseph's Hospital and Cayuga and Onondaga EMS agencies.

The training experience will include a review of current pre-hospital and emergency medicine issues confronted by EMS providers including:

- *What a social worker can do for our patients*
- *The Drug Impaired Patient*
- *Firefighter as a patient*
- *Stroke recognition*
- *CNY Collaborative ACS Research*
- *EMS and Active Shooter Incidents*
- *Heart Failure and Dyspnea*
- *Pediatric Treatment and Evaluation*
- *Difficult Case*

**This program is free,
but pre-registration is required.**

RSVP to Shirley Procopio: 315/470-7308 or
email: ShirleyProcopio@Crouse.org

For more information, contact Dr. Michael Jorolemon at
mjorolemondo@crouse.org

CMEs available. • Breakfast & lunch served!

Please register by Sept. 26.
